"Joseph, son of David, do not be afraid to take Mary your wife into your home. For it is through the Holy Spirit that this child has been conceived in her. She will bear a son and you are to name him Jesus, because he will save his people from their sins." Matthew 1:20-21

As we begin the Fourth Week of Advent, we focus ever more directly upon the miracle that took place over 2,000 years ago. The passage quoted above presents us with the words of the angel of the Lord who spoke to Joseph in a dream. This was one of four dreams that Joseph had in which an angel spoke to him concerning the Christ Child.

Saint Joseph is described in Matthew's Gospel as "a righteous man" who was unwilling to expose his betrothed wife, Mary, to shame. We know the story well. Mary became pregnant after being betrothed to Joseph but before they lived together, and Joseph didn't understand how this happened. Mary's virtue and goodness would have appeared to contradict the possibility of her becoming pregnant when she did. Joseph was planning on doing what he thought was the honorable thing. He decided to divorce her quietly so that she would not endure public shame.

But God's plan was so much greater than what Joseph could initially comprehend. The Incarnation of the Son of God within the womb of his betrothed required supernatural understanding. And that's what Joseph was given. Though he had a dream in which an angel spoke to him, a dream was not enough. The dream also needed to be accompanied by the gift of supernatural knowledge. Joseph listened in the dream and believed by the interior revelation of faith that this incredible reality was true. This Child was indeed conceived by the Holy Spirit within the virginal womb of his betrothed, and Joseph accepted his God-given responsibility.

Joseph's witness is one to ponder and be inspired by. First, it's essential that we ponder the story as it happened and be inspired by God's singularly unique plan by which He took on our human nature. But Joseph also provides us with inspiration for our own callings in life. Joseph inspires us to face any and every mystery in life that we encounter with the utmost trust in God. God's wisdom and ways are always far beyond ours. Very often in life, God will call us to walk an unknown and mysterious path. Life does not always make perfect sense from a purely rational perspective. Very often, we must allow our human reason to be informed and led by God's supernatural plan. For each of us, this mysterious path will be different. But if we are to walk by the same faith that Saint Joseph had, then we must always be willing to accept the most sublime mysteries in life and allow God's revealing Word to clarify them.

Reflect, today, upon any way that you feel challenged by life's circumstances. What tempts you to doubt, to be confused, or to feel uncertain? What is it that requires supernatural knowledge on your part to embrace? If God the Father chose to to reer unicertains what is it that requires supernatural mornings on , and particular when God calls us to embrace similar bring forth His divine Son in such a mysterious way, then we should not be surprised when God calls us to embrace similar mysteries in life. Walk by faith. Be inspired by Saint Joseph. Say "Yes" to that which God is asking of you. As you do, you will ind that you will begin to walk down the most glorious road you can walk. A child's smile. A mother's joy. Yours to give this Christmas. Christmas is a time of miracles - of hope and renewal. Throughout rural Vietnam, children and families living with disabilities, like Mrs Lan and her children Quan and Loah, are less likely to be employed, and children are less likely to go to school. Mrs Lan's dreams for her children are simple. She wants them to "live like every other child, going to school, playing, having a happy life, and growing and learning like other children". Through the generosity of our supporters, Quan and Loah joined a communitybased classroom and learned to socialise with other children and found confidence in themselves. This Christmas, you can help create opportunities for children and adults with disabilities and to enable more families like Mrs Lan's to access resources to improve their income and living status.

Please join Caritas Australia's wonderful community of generous supporters this Christmas in giving loving parents of children with disabilities the incredible gift of seeing their children smile. Visit www.caritas.org.au/christmas this Christmas or call 1800 024 413 toll free.

It is the beautiful task of Advent to awaken in all of us memories of goodness and thus to open doors of hope. .—Pope Benedict XV J

This weekend heralds the fourth weekend of our Advent season. In each Mass centre, over the four weeks of Advent, a new candle will be lit-marking our journey to Christmas.

The Advent Wreath of evergreen, is shaped in a perfect circle to symbolise the eternity of God. Four candles, one for each week in Advent, symbolise the coming of Christ, with one larger white candle in the middle as the Christ candle. During each Sunday of the Advent season, we focus on one of the four virtues Jesus brings us: Hope, Love, Joy and Peace. The Christ candle is lit on Christmas Eve or Christmas Day reminding Christians that Jesus is the light of the world.

Today we light the fourth candle and listen for the word of PEACE. We listen for stories where people stop hurting each other and start helping, for words of peace from leaders, that they may unite people and give them hope. We listen for ways to take care of our environment and bring hope for the future of our planet. We remember that Christ is the Prince of Peace. We light the fourth candle for the peace that sings in our hearts, that God's reign is near.

Lighting of the fourth Advent candle

"Come quickly, shalom, teach us how to prepare, for a gift that compels us with justice to care. Our spirits are restless till sin and war cease. This candle is lit for the reign of God's peace.

Most glorious Saint Joseph,

You were a man of true righteousness and integrity. You were open to the inspired gift of faith and chose to walk by that faith as you faced the greatest of mysteries. Please pray for me that I may learn from you and be inspired to imitate the life that you lived.

Saint Joseph, pray for us.

Jesus, I trust in You.
