"Understanding Dispel's Doubt"

The day on which our Lord rose from the dead, some of the women who had accompanied Him went to the tomb to anoint Jesus' body and found the tomb empty. An angel spoke to them of Jesus' Resurrection and then these women went to tell the disciples what they saw. The reaction of the disciples is recorded this way: "but their story seemed like nonsense and they did not believe them."

Later that day, two of those doubting disciples were traveling on foot to the town of Emmaus. It is clear from their words that they were quite confused and discouraged about what was happening. Thus they traveled the road to Emmaus—discouraged, confused and doubting.

We must see ourselves in these disciples. There are many things in life that can lead us to discouragement. When we strive to follow God's will but find that things have not turned out how we expected, there is a temptation to doubt. What is the cause of doubt? More than anything else, doubts and discouragement come from our failure to understand the perfect plan of God for our lives.

If these disciples had understood, from the beginning, all that Jesus explained to them on the road to Emmaus, they would not have despaired. They would not have lost hope. So also with us, when we begin to lose hope in our lives, it is primarily because we have failed to understand the divine plan for our lives correctly. We have failed to see that God permits certain things for His glory. He permits certain hardships to deepen our faith and trust in Him. When we fail to see His permissive will in all things, we will become discouraged and confused.

Reflect, today, upon these two disciples. They had the incredible privilege of spending much time with our Lord during His public ministry, seeing His miracles and hearing His sermons. But when the Cross ensued, they doubted and despaired. Let these disciples witness to you and reveal to you any ways that you fall into similar temptations. Do you have perfect hope in God and His plan for your life? Or do you allow the various crosses you endure to confuse you and lead you to doubt? Allow our Lord to appear to you through prayer and reveal to you His perfect plan. Be open to the gift of understanding by trusting that the wisdom of God will dispel every temptation you have toward doubt, replacing it with trust and hope.

We remember the soldiers of the Australian & New Zealand Army Corps (ANZACS) who landed and fought on the Gallipoli Peninsula in Turkey early on the morning of 25 April 1915 during the First

World War (1914-1918). We remember their bravery and ultimate sacrifice, many of them never returning from war. The ideals of courage, endurance and mate ship that the Anzac legend created are still relevant today and are principles that we all can identify with. The Anzac tradition reflects Australia's commitment to defending the dignity of every human being and serving the global community for the good of *all humanity.*

Prayer

*Gracious and loving God,
the cross of Christ is the sign of your
desire for justice and peace for all.*

*Open our minds to your vision
as we remember all who suffered through
Australia and New Zealand's involvement in
wars, conflicts and peacekeeping operations.*

*Grant all servicepersons who sacrificed
health and life for the good of all,
the gift of your deep peace.*

*May we who inherit the freedom
for which they fought become instruments
of your peace in our homes, workplaces and world.
We ask this prayer through Christ our Lord.*

Amen

Quote of the Week

"Take care of your body as if you were going to live forever; and take care of your soul as if you were going to die tomorrow"
