Parish Privacy Policy

Sacraments are celebrated in the context of a community. Baptism, Confirmation and Eucharist are the Sacraments of Initiation into the Worshipping Community.

It is the custom of our community to pray by name for those who celebrate the Sacraments in our midst. In practice this may mean printing the names of those celebrating sacraments in our weekly bulletin, praying for them in the prayers of the faithful and displaying their photograph in our churches.

In accordance with Canon Law, the full details of the person celebrating Sacraments are recorded in Parish Registers.

For those requesting Sacraments in this Parish, it is the presumption that they are in agreement with these procedures.

I give permission for my child's/children's photo to be displayed in the church.
