The Great Commandment

Contemplate this: How wonderful would the world be if each and every one of us could abide in these two commandments? Love the Lord your God with all your heart, with all your soul, and with all your mind. And, love your neighbour as you love yourself. The world as we experience it, on the most part, does not allow for the simplicity of these two commandments. Or, does it? In reality, I would estimate all of us have a void in our hearts. Dissatisfaction in one, many, or all areas of life. Maybe we are so caught up with life that we have stopped living? Lost our way, our will, or our faith to circumstances? Have we have trusted others, only to find we have been deceived; especially by those whom we are taught to trust? Since Babylon even our language has been altered by the deceiver. We are brainwashed and manipulated by 'Legalese'. We are unknowingly 'straw men' without brains, our tin hearts hollowed, and fear instilled in us, leaving us disillusioned and lacking courage. We are 'dumbed down' and micro managed, unconstitutionally, by the false structures we live in. We are cornered and controlled by Governing bodies and institutions. There are so many rules and regulations; one needs a degree to know them all. The Media serves us narratives that divide us, instilling fear; and moulds us into characters far from ideal. The list goes on. Have we all become blind slaves to a corrupt system? How on earth can we be expected to love?

In Matthew 22:34-40 'The Great Commandment', we are told the Pharisees tried to corner and trick Jesus. The Pharisees (NT) were a large Jewish religious party who strictly obeyed the Law of Moses. And, during the centuries following Moses, they created and adhered to many other regulations. Perhaps this made them proud and out of touch with the Fundamental Law? It is interesting to note the following Bible passages: in Matthew 23:1-12 Jesus warns against the Teachers of the Law and the Pharisees; in Matthew 23:13-28 Jesus Condemns Their Hypocrisy. Ultimately, we all yearn to be filled with love for our Beloved Father, and for each other. We want to be unconditionally loved, and to love unconditionally. Why else would we seek out companionship or community? Without love there is fear. Where there is fear, there is hostility. Where there is hostility, there is violence and deceit. Therefore, without love all the commandments are broken. To keep The Commandments Sacred, we must detach from the outer world. Wherever there is unrest we must first go within, and as individuals examine our souls. Matthew 7:5 'You hypocrite! First take the log out of your own eye, and then you will be able to see clearly to take the speck out of your brother's eye'. We are all called to be prophets in Christ. We all have value to bring to the world, and can make it a better place. We must remember our Beloved Father created us. He makes no mistakes. And His Beloved Son Jesus Christ atoned for our sins. He wiped the slate clean for us with his precious blood. He humbly walked the earth to teach us 'the way'. It is up to us to be instruments of God's will; not the will of the deceiver. Therefore, Love the Lord God with all your heart, soul and mind; and, love one another as yourself, as Jesus has loved you.

Centenary of Sacred Heart Church: Blessed and Opened 1924

Next meeting will be on Wednesday 15th November @ 6:30pm in the SHC Hall.

"Sunday, November 9th, will surely remain for the parishioners of Brompton, a day to be long remembered, for on that day of cloudless sunshine, the event for which every heart had been longing for so many years, became at last an accomplished fact, & the magnificent church erected by the Sacred Heart Fathers was blessed and opened by His Grace, the Archbishop of Adelaide, Most Rev R. W. Spence, O.P." A committee of current parishioners has been formed recently to plan & coordinate appropriate ways in which this centenary can be celebrated next year. To this end, we would be keen to hear from former parishioners of Sacred Heart Parish who would like to share their memories over the next twelve months of earlier days in this community and be involved in the celebrations to be planned. Please contact either Mary Hemmings on 0417 871 904 or Peter Oswald on 0402 841 270 or shparish@shphf.com.au to share your memories or register your interest in being involved in activities in the year ahead.

The 15 Promises of the Holy Rosary by Our Lady.....

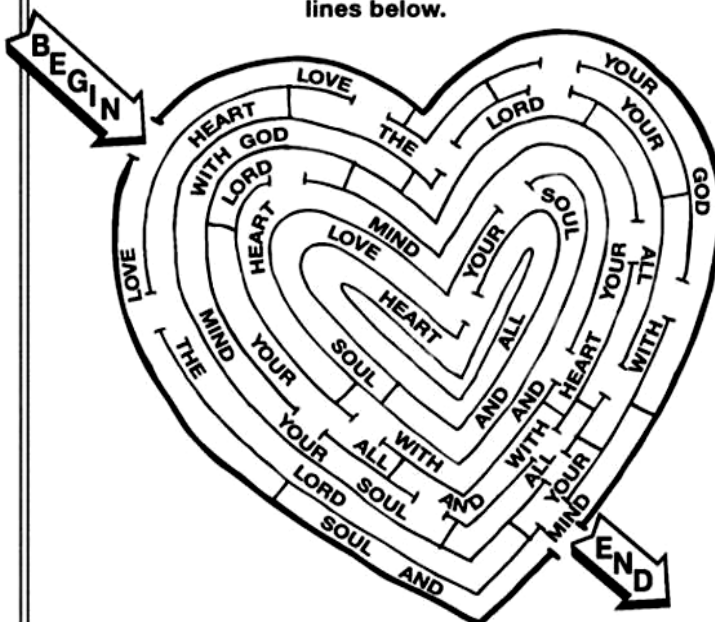

1. Whoever shall faithfully serve me by the recitation of the Rosary, shall receive signal graces. 2. I promise my special protection and the greatest graces to all those who shall recite the Rosary. 3. The Rosary shall be a powerful armor against hell, it will destroy vice, decrease sin, and defeat heresies. 4. The Rosary will cause virtue and good works to flourish; it will obtain for souls the abundant mercy of God; it will withdraw the hearts of men from the love of the world and its vanities, and will lift them to the desire for eternal things. Oh, that souls would sanctify themselves by this means. 5. The soul which recommends itself to me by the recitation of the Rosary, shall not perish. 6. Whoever shall recite the Rosary devoutly, applying himself to the consideration of its sacred mysteries shall never be conquered by misfortune. God will not chastise him in His justice, he shall not perish by an unprovided death; if he be just he shall remain in the grace of God, and become worthy of eternal life. 7. Whoever shall have a true devotion for the Rosary shall not die without the sacraments of the Church. 8. Those who are faithful to recite the Rosary shall have during their life and at their death the light of God and the plenitude of His graces; at the moment of death they shall participate in the merits of the saints in paradise. 9. I shall deliver from Purgatory those who have been devoted to the Rosary. 10. The faithful children of the Rosary shall merit a high degree of glory in Heaven. 11. You shall obtain all you ask of me by the recitation of the Rosary. 12. All those who propagate the Holy Rosary shall be aided by me in their necessities. 13. I have obtained from my Divine Son that all the advocates of the Rosary shall have for intercessors the entire celestial court during their life and at the hour of death. 14. All who recite the Rosary are my sons and daughters, and brothers and sisters of my only Son Jesus Christ. 15. Devotion of my rosary is a great sign of predestination.

Father Lancy is away overseas from **September 15th - October 31st**

For any spiritual matters or for any assistance with those who are unwell, please contact **Father Santhosh** who will be the **Priest in Charge** Please keep both Father Lancy and Father Santhosh in your prayers during this time.

This week we continue to learn more about the Congregation of Holy Cross to which Fathers Lancy and Santhosh belong. We will be continuing these articles until the Feast of the Sacred Heart on 7th June 2024, to commemorate the 150th Anniversary of the entry of its founder, Blessed Basile Moreau, into eternal life.

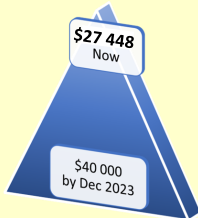

THE MISSION : The focal points proper to mission at the time of foundation were on the one hand, the evangelization of the dechristianised countryside for which Father Moreau formed a team of auxiliary priests and on the other hand, the education and Christian formation of youth confided first of all to the brothers. With the establishment of the Association of Holy Cross, Father Moreau provided a common mission, which was later expressed in the first constitutions of the priests and brothers as: "preaching the divine word in the countryside and in the foreign missions ... instruction and Christian formation of youth with a particular concern for poor and abandoned children." The mission of the sisters is to "instruct and raise youth in a Christian manner by establishing and directing, either in France or in its overseas colonies, not only elementary schools, but also boarding houses, sewing rooms, hostels, etc., especially for the poor and abandoned children."

The renewal of Catholic faith always involved the analysis of the needs of the Church and society, which, first of all, had to be discerned. The often bold response to these needs would lead to varied apostolic fields of endeavor. However, everything revolved around education, which Brother Moreau called a work of resurrection. We must be educators, witnesses showing the way to others. The common mission's point of cohesion is education, with a privileged position given to evangelization. This is a holistic education of individuals, preparing young generations to be responsible citizens and good laborers for earth and heaven, forming "men conformed to Jesus Christ" by education in the faith through activities of Christian formation and by putting in place pastoral activities based on local needs. Our constitutions take up this focus of mission by identifying us as educators in the faith. Recent general chapters determined our mission priorities: proclaiming the Gospel as educators in the faith and the preferential option for the poor, a privileged means for proclaiming the Good News of the Kingdom of God.

Parish Fundraising...the story so far!

We have raised a total amount of **\$27,448**. This amount has come via funds raised from some very generous donations, the carparking for soccer, bottle refunds, our Christmas Carol night, May Coffee Circles and the Parish Dinner and Bake Sale.

Funds from the Carparking alone continues to raise a significant amount each time there is a Soccer Game at Cooper's Stadium and we hope to keep this going!

Our fundraising target is to raise **\$40,000** by the end of the year.
