## Doing Small Things Well

Many people dream of doing great things in this life. Those who play sports dream of winning the championship. Those in business dream of growing their business. Artists and actors dream of becoming well-known. In almost everything we do, we dream of excelling. This drive is part of the natural desires God has given to us.

When it comes to the most important part of our lives, we must strive to excel also. What is the most important part of our lives? It is the calling we have received to serve the will of God. Therefore, we must strive to unite our natural desire for excellence with our faith so that we will be driven to fulfill the glorious mission God has entrusted to each one of us.

Every natural ability we have must be seen as a gift, given to us by God for the purpose of glorifying Him and furthering His Kingdom on earth. In our parable today, the man who went on a journey entrusted each of his servants with a large sum of money. To one he entrusted five talents; to another two; to a third, one. A talent was a measurement of precious metals such as silver or gold. In today's value, one talent of silver would be worth about \$30,000 USD. That's a lot of money entrusted to each of these servants. However, when the master returned, he referred to this initial gift to each as a small amount and then promised to entrust a large amount to the two servants who used the talents well.

From a human perspective, we should see the natural gifts that God has given us as a huge amount. From a divine perspective, we must see every natural gift from God as only the beginning. God has so much more He wishes to bestow upon us. In order to obtain those riches of grace, we must first use well what we have been given for God's glory and for the furtherance of His Kingdom.

What has our Lord entrusted to you? What gifts and talents do you have? As you think about your natural talents, consider how well you use them for the service of God. Using your natural abilities only for yourself is the same as refusing to use them for God. To the one man who was entrusted with one talent and did nothing with it, the master said, "You wicked, lazy servant!" He then took the one talent away and gave it to the one with ten who was responsible with the master's money. So in our lives, if we fail to dedicate our natural abilities to the service of God, we will lose even the little we have. But if we unite our natural desire for greatness with the call to serve the will of God, then there is no limit to the riches of grace God will bestow.

*Reflect, today, upon how diligent you are in your drive to fulfill the will of God in your life. If you feel as though you cannot make much of a difference, then try to dispel that idea. Try to do small things well. Work at perfecting your charity in your daily life. Commit yourself to daily prayer. Strive to weed out all sin in your life. Do the small things well and God will smile on these little offerings and transform them into a superabundance of grace.*

**Most generous Lord, You have entrusted to me a particular mission in life. May I work to excel in that mission, even if it seems small and insignificant. As I do, please pour forth Your abundant blessings of grace so that I will excel in giving You the greatest glory possible and will be a greater instrument of the coming of Your Kingdom on earth. Jesus, I trust in You.**

**Gospel Today**  
33rd Sunday in Ordinary Time | Matthew 25:14-30  
The parable tells of three servants given pieces of silver, or talents to use while their master was away. Two men used the talents wisely and doubled their worth. The third man buried the talent, not using it and not increasing its value. We learn we must faithfully use the gifts God gives us to be worthy servants and gain a place in the Kingdom.

- Definition:** talent
1. natural aptitude or skill.
  2. a former weight and unit of currency, used especially by the ancient Romans and Greeks.

*"Well done my good and faithful servant. Since you were faithful in small matters, I will give you great responsibility."*

- Matthew 25:21

**Baptism**  
We welcome into our faith Community **Gabriel Joseph Britvec**, who will celebrate the Sacrament of Baptism next weekend within our Sacred Heart Hindmarsh-Findon Parish. Please keep Gabriel and his family in your prayers.

This week we continue to learn more about the Congregation of Holy Cross to which Fathers Lancy and Santhosh belong. We will be continuing these articles until the Feast of the Sacred Heart on 7th June 2024, to commemorate the 150th Anniversary of the entry of its founder, Blessed Basile Moreau, into eternal life.

“Receive all that I have written as the outpouring of a heart which burns with the desire to help you.” “If I can still do you some good, I will do it at once; have no more doubts about it than the sincerity of my love and faithfulness.”

The above statements are separated by more than 30 years. They come from a man on fire with love for God, a passion to serve, and a vision for a world that will know better times than ours. The fire that consumed Father Moreau throughout his life and directed his considerable energies was not self-ignited. Its kindling was his relationship with and response to God. That fire spread to others and brought Holy Cross into existence that we might be a passionate and prophetic presence in our world. The fire that guided Father Moreau and illuminated the landscape before him was not self-fueled. It was kindled and rekindled over his 74 years by those faith-based values with which he lived every day. Seven values are presented here briefly. Preeminent among those values is conformity to Jesus Christ. There was no greater priority for Basile Moreau. He consistently and insistently calls us to discover ways in which our daily life, even in its finest details, can reflect Jesus’ example and teaching. This is what we are to do and why we are to do it. That conformity will be our greatest glory. Moreau’s trust in providence was unshakable. He believed that just as God had founded Holy Cross, so God would sustain it and bring it to perfection. God is ever-present and always at work, however mundane a particular activity may appear to be. Our cooperation with providence will assure the transforming influence that Holy Cross can have in our world. Zeal distinguished Basile Moreau in every aspect of his life. His passion for ministry and his prophetic stance, whenever fidelity, integrity and justice were threatened by compromise, were ignited by his zeal. He wanted this virtue to be a hallmark of all those who shared with him in this great adventure called Holy Cross.
