## The End of Time

### Happy Solemnity of Jesus Christ, King of the Universe.

This is the final Sunday of our Church year. Our focus today is the end of time when Jesus will return again to judge the living and the dead and establish His permanent and glorious Kingdom, visible to all. The Catechism of the Catholic Church describes this moment in time this way:

The Last Judgment will come when Christ returns in glory. Only the Father knows the day and the hour; only He determines the moment of its coming. Then through His Son Jesus Christ He will pronounce the final word on all history. We shall know the ultimate meaning of the whole work of creation and of the entire economy of salvation and understand the marvellous ways by which His Providence led everything towards its final end. The Last Judgment will reveal that God's justice triumphs over all the injustices committed by His creatures and that God's love is stronger than death (#1040).

God is truly a mystery. He is the greatest of mysteries. As a mystery, God is forever the unknown in the sense that He is endless and eternal. He has revealed Himself to us but we will forever enter deeper into our knowledge of Him because of His infinite and endless nature. This is important to understand because when we contemplate the many mysteries God has revealed, we must approach them as both known and unknown. Our solemnity today is one of those mysteries.

Of this great moment in time, we know that the Son of God will return to earth to issue forth His final judgment upon all the living and the dead. It will be the final moment of time as we know it now. The dead will rise and our bodies and souls will be reunited. The just will enter the glorious New Heavens and Earth. Those in mortal sin will be condemned for eternity. The world will no longer be a fallen world. All illness and disorder in nature will be eliminated. Peace will ensue and perfect order will be established. God will be the universal King and will govern this new world forever.

As we celebrate this glorious mystery of our faith, we must accept and believe all that we know about it. But as we do, we must also approach it with deep humility, admitting to ourselves that we will never fully comprehend the awesomeness of that day until it comes. No earthly concept will ever come close to fully describing that moment in time, but we must adhere to our belief in it with a profound and unwavering faith.

*Reflect, today, with a deep faith, upon this glorious and definitive moment in time still to come. On that day, all that will matter is how faithful you have been to the will of God. Your charity will become an open book for all to see, and the rewards for your charity will remain with you forever. As you think about that day with faith, allow it to encourage you to do all you can today to prepare for the Last Judgment. When that day comes, it will be too late to change. Get ready today and tomorrow and every day of your life so that when Jesus does return in all His glory, it will be the most glorious day of your life.*

**Most glorious and universal King of the Universe, I believe and profess with a firm faith that You will return again to judge the living and the dead and will establish Your glorious Kingdom that will never end. Please help me to understand the greatness of that moment and to do all I can, every day of my life, to prepare for it so that it is, indeed, the beginning of the best day of my life. Jesus, I trust in You.** Copyright © 2023 My Catholic Life! Inc. All rights reserved. Used with permission.

Jesus tells His disciples, the Son of Man will come in His glory and sit upon His throne. He will bless, from all the nations, every person who gave drink to the thirsty, something to eat to the hungry and paid a visit to the ill. The Kingdom of Heaven will be theirs.

This week we continue to learn more about the Congregation of Holy Cross to which Fathers Lancy and Santhosh belong. We will be continuing these articles until the Feast of the Sacred Heart on 7th June 2024, to commemorate the 150th Anniversary of the entry of its founder, Blessed Basile Moreau, into eternal life.

Continued from last week.....

It was noted by his contemporaries that Father Moreau was especially animated and energized when he spoke about the Eucharist. Through reception of this sacrament and by adoration, our relationship with Jesus in the Eucharist is, from Moreau's perspective, a direct support for all that we are to be and to become as religious of Holy Cross. The standard for our union in community that Moreau established was nothing less than that for which Jesus prayed in St. John's gospel and that which St. Paul proclaimed to the early Christians. He used the models of the Holy Family and the Holy Trinity to reinforce that. Lived in our community and promoted through our efforts in mission, union with Jesus and union of hearts will be among the most powerful means for transformation at our disposal. From his experiences, Basile Moreau learned the profound truth of the cross as our only hope. He trusted that and, as a follower of Jesus, he expected to encounter the cross and he did throughout his life. He was convinced that those encounters held the seeds of resurrection. So too for us, Spes Unica must be more than a proclamation, it must become our liberation, our transformation and, ultimately, our salvation. Father Moreau did not make his journey to glory alone. At the very beginning of Holy Cross, he entrusted himself and his companions to Our Lady of Sorrows. Her fidelity and fortitude in remaining at the foot of the cross endure as an illustration for what we must be, and an inspiration for what we are called to do. It is no wonder that Moreau gave her to Holy Cross as patroness. Basile Moreau lived these values passionately and prophetically. He wanted to make a difference in the world. By his life and through Holy Cross, he did. His biographers, Etienne and Tony Catta, articulate this well. "There burned within him an ardor which was ceaselessly aflame along with a compelling necessity to undertake and to resurrect projects lying on the verge of ruin and to bring into existence others which were destined to live" (Vol. I, pg. 142). We are called to continue his legacy.
