The Essence of the Most Holy Trinity

"All power in heaven and on earth has been given to me. Go, therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, until the end of the age."

Of all the great feasts we celebrate within the Church throughout the year, today's Solemnity presents us with a Mystery that is so deep and transcendent that our eternity will be spent in perpetual contemplation. The Trinity, the life of the Father, Son and Holy Spirit, will never get old, never be fully understood, and will be the cause of our everlasting adoration and joy. Though the Church has used philosophical concepts to explain the Trinity, no human concept or description will ever fully explain Who God is. Though we can point to some general truths about God, we will never be able to fully depict the inner essence, depth, beauty and omnipotence of the Trinity.

As we consider that fact, it's important to understand that the Trinity is not *first* a theological mystery we try to define. Rather, the Trinity is *first* a communion of Persons we are invited to know. We do not primarily come to know God through intellectual deduction. We come to know God through prayerful union with Him. Though theology is exceptionally useful and important, the essence of God is beyond any and every philosophical concept we can define.

The Father, Son and Holy Spirit are Persons. And as Persons, they want to be known. And they want to be known primarily through a life of deep and intimate prayer. Praying to One Person, of course, is praying to all, since they are One God. But we are, nonetheless, called to a relationship of love with the Father, the Son and the Holy Spirit. And though our feeble minds may not be able to fully comprehend the essence of God, He will draw us deeper and deeper into a knowledge of Him if we let Him.

Prayer often begins by saying prayers, by meditating upon Scripture, and by listening. But true prayer is something much deeper. True prayer is contemplative prayer that ultimately leads to divine union. Only God can initiate this form of prayer in our lives, and only God, through this deep form of prayer, can communicate Himself to us as He is. Some of the greatest mystics of our Church, such as Saint John of the Cross and Saint Teresa of Ávila, explain in their mystical theology that the deepest knowledge of God does not come through concepts or images. In fact, if we wish to obtain a knowledge of God in His essence, we must allow Him to purge every concept of Who He is so that the pure light of His essence can be poured forth upon our minds. This knowledge, they say, is beyond knowing "about" God. It's the beginning of a knowledge "of" God.

Reflect, today, upon the Most Holy Trinity. As you do, say a prayer to God asking for a deeper and more intimate knowledge of Him. Ask Him to communicate to you His divine love and to open your mind and heart to a deeper understanding of Who He is. Try to humble yourself before the great Mystery of the inner life of God. Humility before the Mystery of God means that we know how little we know about Him and how little we know of Him. But that humble truth will help you move closer to the deeper relationship of love to which you are called.

Most Holy Trinity, Father, Son and Holy Spirit, please draw me into a relationship of love with You Who are one God and three divine Persons. May the mystery and beauty of Your life become more known and loved by me each day through the gift of transforming mystical prayer. Jesus, I trust in You.

ST. ANTHONY OF PADUA

Friday, 13th June 2025 at
6.30pm
Sacred Heart Church,
Hindmarsh

Families are welcome to
bring their bread to be
blessed

St. Anthony of Padua was called a "Miracle Worker" and many miracles have been attributed to him during his life and since his death. It seems everyone, even non-Catholics, knows of his reputation as an intercessor in finding lost items.

**Dear St. Anthony, please come around.
Something's been lost and can't be found.**

But asking for his help is only one part of the prayer. St. Anthony was truly generous in helping the poor in his life, and his work continues in his name and intercession.

St. Anthony's Bread is an expression of devotion reminding of St. Anthony's love and aid to the poor when he was alive.

There is no specific type of bread that is necessary to use.

This recipe can be halved. It's a soft, sweetish tasting bread hat can be made in any shape and size.

Preparation: 160 min • Baking: 20 min

Servings: 8-10

Ingredients:

- 6 cups of plain flour
- ½ cup soft butter
- ½ cup honey
- 1 packet instant yeast
- 1 cup warm water
- 1 cup warm milk

Preparation:

1. Mix flour, butter and salt in a bowl.
2. Combine the milk, honey, warm water and yeast in a medium bowl.
Allow the yeast to prove for 5 minutes. Then add to the flour mixture.
3. Knead the dough for about 3-5 minutes until a smooth ball is formed
4. Transfer dough to a work surface and shape uniformly sized pieces, and form each piece into a ball. Another option is to make three long pieces and form a plait. Or make any shape of your choice.
5. Place your dough balls in a greased round baking tin, giving them a bit of room to rise. If you have chosen a plait, or another shape, place onto a greased baking sheet.
6. Allow rising for about two hours.
7. Preheat oven to 190°C.
8. Before placing the dough into the oven, brush with a little milk.
9. Bake for about 20 minutes or until golden.
10. Enjoy with the prayer to St Anthony!

Heavenly Father,

We praise you and give you glory for the gift of bread, fruit of the earth, work of human hands and source of our daily nourishment.

Bless this bread in honor of St. Anthony.

Teach us to share all your gifts with the poor, the forsaken and the hungry.

All praise be to you through Jesus Christ, our Savior, in the unity of the Holy Spirit, one God, for ever and ever.

Amen.
